

KAIMUKI.

This tract of most desirable Suburban property now being opened up with residence sites, lies about three miles from this city, in a northeasterly direction.

It has an elevation of over 200 feet above sea level, commanding a magnificent view of the Ocean, Koko Head, Manoa and Palolo Valleys, with the City of Honolulu, Ewa and Oahu Plantations, and Pearl Lochs, at its feet. It is entirely removed from all planting of rice or taro, thereby obviating the possibilities of ague and fever. Twelve broad streets give access to the property, and are crossed by six avenues. Seven of these Boulevards are now opened up, the balance in course of construction.

From its position it is entirely removed from the high winds and heavy showers of Manoa and Nuuanu Valleys, guaranteeing from its soft ocean breezes a salubrious climate.

A pumping plant, in the course of installation, settles the question of water, which will be furnished to purchasers of this property at Government rates; this flow of water being assured from two 12-inch wells which under measurement show nearly 4,000,000 gallons in twenty-four hours.

These lots contain an area of 15,000 square feet each, and are of two sizes—100 x 150 and 75 x 200.

TERMS: \$450 per lot, \$50 additional for corners, spot cash. \$550 per lot, \$50 additional for corners—\$20 cash, and \$10 monthly installments per lot, no interest.

MAP OF PROPERTY on view at our office; and for further particulars apply to

GEAR, LANSING & CO.

CITY PROPERTY.
